The Kauffman Center for the Performing Arts is a project born as a result of the vision of my mother, Muriel Kauffman. Through the commitment and amazing effort of countless people, her dream has become a reality and will open to the public in September 2011.

This project represents a unique milestone in Kansas City history. The Kauffman Center will promote metropolitan Kansas City's quality of life through invaluable cultural enrichment, educational opportunities, and unforgettable experiences. Everyone from all walks of life can become personally involved by experiencing the great performances, educational activities, volunteering, and giving.

I am pleased to announce that the Kauffman Center has partnered with Townsend Communications to produce an exclusive commemorative magazine that will showcase the Grand Opening of the Kauffman Center for the Performing Arts. This beautifully designed piece will be a keepsake for those in attendance at our Grand Opening events.

We encourage you to consider a presence in the magazine for your business. An account executive from Townsend Communications will contact you or you may reach them at (816) 361-0616.

Thank you for your ongoing support of the Kauffman Center for the Performing Arts.

Sincerely,

Julia Irene Kauffman
Chairman of the Board
